GRANDMA BUNNY'S CORNER

Dear friends and bunny lovers, I have much to share with you today.

New Arrivals At the Bunny House: Thursday evening we learned that about 20 rabbits were dumped in Sedgwick County Park in the rain and cold night with nothing to eat. It is thought they had been there since Monday. Rescue groups had been alerted and people were there trying to catch them. I am not sure how many were caught, but we now have 4 of them, They are young and friendly. We have two boys and two girls meaning we have two spays and two neuters to arrange and pay for as well as vaccinations, food, etc.

Yes, once again we are asking for donations. Donations for January were low, but luckily we had extra donations in December. Now the bank account is too low and we need help with the additional bunnies. Please donate what you can. We would like as many of you that can to pledge a certain amount of money each month or quarter or what ever works for you. Talk to all you know about the bunnies and get support for our rescue. We are very thankful for the donations of all kinds. We will be having opportunities soon to give items for our "Hop-In" raffle and the March Hare Tea Party. Thanks to all who donated to the November Hop-In and the Christmas Party in December. Your help is always appreciated.

THANK YOU TO UNITED WAY

The United Way receives items from local businesses which they give to 501(c)(3) organizations. We thank them for all they have done for us with supplies including: A filing cabinet, adding machine, office chairs, crate and exercise pens, office chair mats, plastic tablecloths and office supplies, and masks and gloves during the pandemic. This is just to name a few items which have helped Bunny TNT, Inc.

NEW COMPUTERS NEEDED

Bunny TNT has been using outdated computers which need to be replaced. We can no longer get up dates for them, nor can we download needed programs. To replace both computers and get the needed software will be about \$3000. We have started a fund to raise the money. If you can donate to this fund or pledge an amount for monthly donations, please contact us.

JINGLE BUNNIES CHRISTMAS PARTY

Thanks to all who attended and helped with our first Christmas Party! It was a success and gave us \$600 to help our bunnies. The painting of bunny ornaments was very popular. We have put it on the calendar for December 2024.

SPOTLIGHT ON FOSTERING

Thinking of getting another bunny? Fostering is a great way to find out if another bunny would work

out in your family. When you meet someone who has mentioned wanting a bunny, let them know that we do have a foster program that could help them make that decision. When fostering, you care for the bunny like it is yours, but you aren't stuck with vet bills should the bunny get sick. It also allows you to find out for sure that your family members are not allergic. Many times the bunny is adopted by the foster family. You do have to be a member of Bunny TNT, Inc. to foster.

FEBRUARY HOP-IN

We hope you will join us for the Hop-In on Sunday, February 18th at 2:00 p.m., at the Kansas Humane Society 3313 N. Hillside. Bring your spayed/neutered healthy bunnies to romp and play with others while we humans talk about bunny related topics.

MARCH HARE TEA PARTY EVENT

The 2023 March Hare Tea Party was a success, and we hope you will join us again on Saturday, March 16th at 2:00 p.m. at Pine Valley Christian Church, 5620 E. 21st. Tea will be provided again by our friends at the Spice Merchant, and we hope some of you can bring refreshments.

ADOPTIONS/FOSTERING:

Malcolm and Morgana went to live with Ariel Feather
Henry has found a new home with Amanda Landry and her bunny, Bandit
Blanca was adopted by Anna Langston
Ernesto found his home with the Harrison Black family
Silver and Elliot are in foster care with Laura Almquist-Parks

NEW MEMBERS

Ariel Feather
 Amanda Landry
 Rob and Edith Lackey
 Maddie Peck
 Anna Langston
 Laura Almquist-Parks
 Harrison Black and family

THANKS AGAIN TO OUR SPONSORS!
